HERE AND THERE.

OUR JURY SYSTEM.

"I don't see how you could sit on that jury as you did, and not find McCain guilty!"

"Oh! he was insane."

"Well, there's no doubt of his being tried by a jury of his peers!"

THE SMALL BOY LOQUITUR.

I hate the pants that mother makes
And "leaves me room to grow;"
That's why they drag around my legs—
That's why they wobble so.

That's why the pockets at the side
Are 'way down by my feet;
And the way I know the front from back
Is the patch that's on the seat.

That's why they look so kind of queer;
I'm going to tell her so.
I hate those pants that mother makes
With "lots of room to grow."

GRACE H. DUFFIELD.

Dr. A. C. West, Dentist, has removed to his new and beautifully furnished rooms in the new Adelphi block, cor. Government and Yates streets.

POOR FELLOW!

"Has he no aim in life?"

"Oh, yes; but he never had a shot at it."

Every man is the architect of his own fortune. And it's lucky for most of us that there's no building inspector around.

Have you used Campbell's 75c. line of Toilet water Old English Lavender, Wood, Violet and Edelweiss? Fragrant and lasting.

The difference between an overcoat and a baby is very obvious: One you wear, the other you was. No cards.

Two deaf mutes were married in Brooklyn last week. There is every chance of the marriage turning out to be a happy one. No wordy warfare, and no back talk.

There should be a law against any one rising in his seat during an act, and especially in the last act, until the curtain falls. It is the custom of too many people to rise and rush pell mell for the doors before the climax to the last act is reached. There is no surer sign of low breeding and boorishness. If a person doesn't desire to see the end of a play, he hasn't any right to destroy the pleasure of another who does enjoy the performance. No gentleman or lady will deprive others of pleasure, even at a considerable sacrifice.

EVERY MAN TO HIS TRADE.

Distinguished burglar—"What do yer think o' this mean plan o' workin' gentlemen off by 'lectricity? 'Hangin' 's good 'nuff for me, every time."

Touts (unlucky horse jockey)—"Well, I dunno. The thing has its good points. If there's anything exasperates a man after his race is run, its the thought that he lost it by a neck."

JUST RECEIVED.

Twelve new Bicycles, ladies' and gents' Brantford and Ontario. The best, at JAMIESON'S.

"A drop of ink, makes millions think." Moral, advertise in the Programme.

MISCALCULATION.

I got a pew in church, and now
I am to grief resigned,
For the one I love to look at best
Sits in the pew behind.

"Is marriage a cure for love?"
"A cure? No; it kills it."

Biggs—I believe Brown is insane.
Diggs—Why?
Biggs—He has brought suit against the New York Central Railroad for killing his mother-in-law.

THE FOOL OF THE SEASON.

To celebrate he points your way
The ancient gun corroded
And as you die you hear him say
He didn't know 'twas loaded.

"He was not accompanied by stamps."
